SUMMARY

UX design leader with 14+ years of experience building and scaling fintech and enterprise products. Currently Manager, UX Design at Western Union, leading UX for global, regulated platforms including the Western Union Canada mobile app. Brings a strong mix of UX strategy, accessibility (WCAG), and hands-on execution, with a focus on simplifying complex workflows, building effective design teams, and working closely with Product and Engineering to deliver scalable, real-world outcomes.

EXPERIENCE

Manager, UX Design — Western Union

Pune | Sep 2023 – Present

- Own end-to-end UX for the Western Union Canada mobile app, covering onboarding, money transfers, error handling, and accessibility-critical flows.
- Simplified onboarding journeys by removing redundant steps and clarifying compliance-driven interactions, contributing to a ~5% reduction in early-stage drop-offs.
- Addressed accessibility requirements early in design, ensuring WCAG compliance without slowing delivery timelines.
- Partner closely with Product and Engineering to align user needs with regulatory and business constraints, reducing design-to-development handoff time by ~20%.
- Introduced lightweight design reviews and earlier stakeholder alignment, cutting late-stage design changes by ~25%.
- Improved in-app guidance and error handling, helping reduce customer support issues by ~8%.
- Manage and mentor a team of UX designers, supporting career development, performance reviews, and consistent design quality.
- Standardized UX processes across wireframing, prototyping, and usability testing to improve delivery consistency across teams.

Principal UX Designer — Searce Inc

Pune | Oct 2020 – Jul 2023

- Owned UX strategy and end-to-end design delivery for HappierWork, an enterprise HR management platform.
- Led design from discovery and research through ideation, POCs, demos, and production-ready designs.
- Worked closely with Product and Engineering leadership on roadmap planning, feature prioritization, and trade-off discussions.
- Established organization-wide UX standards and best practices, improving consistency across features and releases.
- Mentored designers and strengthened integration of design into the SDLC, reducing rework and improving development efficiency.

Senior UX Architect — EY

Pune | Jan 2019 – Sep 2020

- Led end-to-end UX engagements across fintech, e-commerce, manufacturing, and F&B domains.
- Managed client delivery including effort estimation, resourcing, timelines, and stakeholder communication.
- Contributed to RFPs, proposals, pitches, and client innovation workshops.
- Mentored designers, conducted internal training sessions, and maintained UX quality standards.
- Applied Agile and Lean UX practices on large-scale enterprise transformation programs.

UX Design Lead — Mobikon

Pune | Jun 2016 – Dec 2018

- Led UX for an AI-driven customer engagement and predictive analytics platform.
- Designed dashboards, workflows, and data visualizations for operational and marketing users.
- Translated complex data into actionable insights through intuitive analytics experiences.
- Managed designers and partnered closely with engineering to ensure high-quality execution.
